Ambassador Foundation

God's Kingdom Builder

At Ambassador Foundation, we work to support and promote biblical stewardship for the benefit of God's Kingdom through churches, Christian Schools, Bible and Christian colleges and universities, mission agencies, para-church ministries, individual donors and other charities.

Established Launched in 2003, Ambassador Foundation has established a variety of policies and services for clients in Lancaster County and surrounding areas.

Passionate Ambassador Foundation is passionate about building the Kingdom of God on earth. While we await the return of Christ, we promote stewardship and demonstrate spiritual maturity in our business practices and relationships.

Professional By developing relationships with credible professional advisors, Ambassador Foundation offers a full-service approach to each client, tailored to individual needs.

*Stewardship is the
management of
God-given resources for His
glory and the benefit of others.*

Four Pillars of Services

I. Stewardship Education & Development Consultation

Ambassador Foundation is committed to stewardship education, which is provided through a variety of services and materials. Ambassador Foundation also hosts and sponsors the ***Development Tool Box coaching series*** and ***Certified Development Professional Conferences***, which are available to organizations, schools and churches throughout the year.

II. Charitable Gift Planning & Consultation

Ambassador Foundation acts as a catalyst between the individual donor and a designated non-profit. Professional advisors serve along side Ambassador Foundation, playing a key role in facilitating the relationship and producing significant results. Through the coordination of these resources, Ambassador Foundation identifies the steps to create a personalized plan for you. We will assume the leadership role to successfully accomplish excellence in biblical stewardship.

III. Trustee & Fiduciary Services

Ambassador Foundation may be named trustee, co-trustee, or successor trustee of living and testamentary trust, including irrevocable life insurance trusts. We may also serve as trustee or co-trustee for Revocable and Charitable Trusts or Charitable Gift Annuities for individuals. We also provide fiduciary and trustee services for Christian organizations.

IV. Donor Advised Funds

Ambassador Foundation enables their clients to establish a donor advised fund, allowing the donor to distribute gifts over time to charitable organizations. Ambassador Foundation may facilitate the appropriate tax benefits and initiates correspondence between the professional advisor and the donor. The donor advised fund is a sophisticated opportunity system for the distinguished giver.

Our Vision

The Ambassador Foundation is a public charity. Its vision is to be a globally recognized foundation that provides an opportunity for individuals and businesses to exercise biblical stewardship through the support of church and para-church ministries which advance the Gospel of Jesus Christ throughout the world.

The Ambassador Foundation will accomplish this vision through charitable gift planning as it relates to estate planning assistance and gifting consultation, stewardship education, development consultation, trustee and fiduciary services and donor advised funds.

The Ambassador Foundation seeks to help individuals, businesses and Christian organizations with their stewardship and charitable planning needs.
